Maritime Week Africa

20-22 January 2026 | #mwaf26
Cape Town | Radisson Collection Hotel

From Ambition to Action: Energising Africa's Shipping and Bunkering Sectors

Maritime Week Africa is the longest-running and most popular bunkering event in Africa. It has earned a reputation for attracting the most eminent industry and government speakers, bringing together key bunker buyers and suppliers, as well as ports, refiners, regulators, and other leading maritime professionals to highlight the unique issues and opportunities relating to the African bunkering industry.
